Notification to Donors: A fully signed copy of this form will be returned to you for your records. As is customary with most universities and other University of California campuses, UC Santa Cruz applies an administrative fee of 6% to enable the University's administration of gifts in accordance with Donor's wishes. There are no other indirect costs, therefore 94% of your gift goes directly to the program you designate. The funds will be administered in accordance with any applicable UC Santa Cruz policies. If, in the unlikely event that it becomes impossible or impracticable to accomplish the designated purpose of the fund, the Chancellor is authorized to repurpose the fund and any distributions, taking into consideration the donor's expressed wishes as to the designated purpose described in this document. This gift is tax-deductible to the full extent of the law. If you have specific tax questions, we advise you to consult your personal financial or legal advisor. UC Santa Cruz Foundation's Tax ID number is 23-7394590.
